

THEATRE DESIGN/TECHNICAL GUIDED PATHWAY

Earn an Associate of Arts from York Technical College and transfer to Winthrop University to earn your Bachelor of Arts in Theatre with Design/Technical Emphasis. The B.A. degree with a concentration in Design/Tech aligns with the university's liberal arts-based vision of education that encourages breadth of knowledge. Faculty mentor students in production work to promote collaboration and portfolio development and will engage students in lighting design, costuming, scenic design, stage management, sound design, and advanced directing courses. Advanced students take on mainstage design duties, stage management positions, technical direction responsibilities, box office management, and direction of full length plays.
