

Science and Health Meta-Major

Do you know what you want to study in college? Are you interested in starting your college journey early? With our new Fast Track to Winthrop program, you will take only the Dual Enrollment classes you need at York Tech for the Winthrop major of your choice.

The Science and Health **Meta-Major** is right for you if you enjoy exploring and understanding the world around you- theoretical, physical, biological- it's all a puzzle that drives you to find a solution. You're a problem solver and complex systems like a chemical bond or the human body fascinate and inspire you.

Within the Science and Health Meta-Major get a jump start on your degree requirements for any of the following Winthrop majors:

Biology

Human Nutrition
