

HEALTH CARE MANAGEMENT GUIDED PATHWAY

Business and Management Meta-Major

The Health Care Management program is intended for students who plan to seek management careers in a variety of health service organizations including long-term facilities, hospitals, or acute care, outpatient management, physician practice management, and health insurance. Earn an Associate of Arts in the Business and Management Meta-Major from York Technical College, and transfer to Winthrop University to earn your Bachelor of Science in Business Administration with a concentration in health care management. (South Carolina's only AUPHA-accredited undergraduate program) This strong interdisciplinary program will prepare you to manage the complex systems of today's healthcare industry.
