

SOCIAL WORK GUIDED PATHWAY

Society and Politics Meta-Major

Are you passionate about helping to improve the well-being of individuals and communities? Well, a degree in Social Work is right for you. Earn an Associate of Arts in the Society and Politics Meta-Major from York Technical College, and transfer to Winthrop University to earn your Bachelor of Arts in Social Work. The Bachelor of Social Work degree (B.S.W.) at Winthrop University offers a strong professional practice curriculum that builds on a sound liberal arts base. It prepares students to move directly into social work positions in a wide range of settings, engaging in generalist social work practice at the individual, family, group, community and organizational levels, or to pursue graduate social work education. The program is nationally accredited by the Council on Social Work Education (CSWE), allowing graduates to become full members of the National Association of Social Workers (NASW).
