

SOCIOLOGY GUIDED PATHWAY

Society and Politics Meta-Major

Sociology is the study of human social behavior; it's causes and consequences. The subject matter ranges from the intimate family to mob behavior; from crime to religion; from the divisions based on race, sex, and social class, to the shared beliefs of an entire society and culture. Earn an Associate of Arts from York Technical College and transfer to Winthrop University to earn your Bachelor of Arts in Sociology. A major in sociology will offer preparation to students planning upper-division work in sociology, psychology, political science, and other fields of social sciences. In addition, a sociological education is an excellent background for occupational training in law, medicine, business, education, law enforcement, and social work. It is also an ideal choice for students considering careers in the private sector, government, and non-profit community organizations.

TERM 1 at York Technical College		
Course		✓
COL 101: College Orientation	1	
ENG 101: English Composition I	3	
MAT 103: Quantitative Reasoning	3	
ENG 102: English Composition II	3	
HIS 102: Western Civilization post 1689	3	
PSC 201: American Government	3	
Total credits:	16
