JANUARY RECAP

- Our students returned to campus after a long Winter break. Students living on-campus and taking in-person classes were required to submit a negative COVID-19 test before returning to ensure the health and safety of our campus community.
- Students and faculty braved the cold to take part in our Martin Luther King Jr. community service projects, including planting more than 30 trees at the Winthrop Lake, volunteering at Pilgrims' Inn and Tender Hearts Ministries, and helping beautify campus.
- Winthrop received a \$1 million gift that honors retired Estée Lauder executive and Winthrop alumna Ida Crawford Stewart '43 and provides the College of Visual and Performing Arts with scholarships, program development and more.

EAGLE SPOTLIGHT: DRYON CLARK JR.

Why did you choose Winthrop? What made it stand out? What made Winthrop stand out to me was how family-oriented everyone is. Nobody is left alone. Everyone can be included.

In your opinion, what makes Winthrop "Winthrop"? The thing that makes Winthrop "Winthrop" is its diversity.

If you could put your Winthrop experience into one word, what would it be and why? If I could put it in one word, it would be family. All of the friends that I've met so far have been nothing but family to me. Individually we all have struggled, but together we have made it through. I appreciate them for this all the time.

What advice do you have for students considering Winthrop? If you have the chance to come to Winthrop, take that chance because you wouldn't get the same experience anywhere else. Winthrop is unique in its own way.
