EAGLE SPOTLIGHT

Get to know Carson Ruffing - a recent music education graduate from Duncan, South Carolina.

MAY RECAP

- On May 22, we hosted our first May Day event since 1971. We welcomed students and their families to campus to take a tour of Winthrop, hear from our academic deans and enjoy lunch on campus.
- Our Esports team captured two national titles in Rocket League and League of Legends during the Collegiate Esports National Championship this month. This is the first time Winthrop has clenched a national title.

- For the first time since 2019, Winthrop hosted in-person graduation ceremonies to commemorate our 2021 graduates. Friends, families and classmates celebrated beautiful weather and a return to in-person Commencement.

EAGLE SPOTLIGHT: CARSON RUFFING

Why did you choose Winthrop? What made it stand out? I chose Winthrop because of the small, tight-knit community that was overly welcoming of any and every person that came around. That stood out against all other colleges or communities of which I'd ever seen or been a part.

In your opinion, what makes Winthrop "Winthrop"? The students of Winthrop are what makes Winthrop stand out. With such a diverse and welcoming community, everyone feels at home and is free and safe to explore every possible opportunity free of judgment.

What advice do you have for students considering Winthrop? Go to the college that best suits your needs and desires. Winthrop is very welcoming of every possible background, so if Winthrop meets your criteria, it's the place for you!

What has it been like as a Winthrop student amidst the COVID-19 pandemic? I've enjoyed getting to have more individualized time with my closer friends and colleagues that were in my even-smaller class sizes and friend groups.

JUN 15 Transfer Information Session

This is a great event to get information about the transfer application process, transfer credit policies and available scholarships, virtually.

JUN 26 Saturday Visit

JUN ALL Campus Visit Options

Join us for a presentation and tour in-person Monday-Thursday at 10:30 a.m. and 2:30 p.m., or virtually at 4 p.m. (in-person only on Fridays at 9:30 a.m.)
