VI. Course Credit:

SPAN 313- Advance Conversation is an AP-weighted, dual credit accrual course. Students earn one Carnegie unit of high school credit and three hours of transferrable college credit upon successful completion of the course.

Students at Rock Hill High School receive college credit through Winthrop University. Students complete the Pre-College Application to be registered for the course and will receive a college ID.

The course is a three-hour (credit) course and *may* be transferred to a college or university either in S.C. or out-of-state. Each college and university have a different protocol for how they will determine how many credits will transfer as well as whether they will count toward your major or general education requirements. Please call your prospective school's advising office for more information on not just whether your Winthrop University language credit will transfer, but also how the credits will be measured and translated for your specific major.

LIFE Scholarship

Grades earned in a high school dual credit course may affect scholarship eligibility. The LIFE Scholarship is a renewable scholarship for residents of South Carolina who are enrolled in college full-time. Awards are made automatically; no scholarship application is required. The amount is \$5,000 per year and may be "enhanced" to \$7,500 per year for upperclassmen in declared science and mathematics related majors. It is important to note to continue a LIFE scholarship in the sophomore year, any credit hours earned before high school graduation will be used toward the student's cumulative GPA. Students must earn a minimum cumulative LIFE GPA of at least a 3.0 on a 4.0 scale. The LIFE GPA must include all grades earned at the college plus all grades attempted (excluding remedial) at all other institutions, both in-state and out-of-state.

Transcript

To be accepted as dual credit, the college course taken for dual credit must be approved by Rock Hill Schools. Approved dual credit courses taken on a Rock Hill Schools campus or as part of a Rock Hill School cohort on the college campus do not require pre-approval. All other dual credit courses require specific permission from the district in order to be completed. Students should see their high school guidance counselors for appropriate permission forms and/or guidance.

While enrolled in a dual credit course, students are completing coursework as a member of the district and as part of their regular high school course loads. Grades earned in dual credit courses must be submitted to the district and counted as part of the student's GPA and ranking, even in a low or failing grade is earned.

Note that a dual credit course carries one additional quality points in calculation of the student's cumulative GPA.

VIII. Participation and Attendance:

Remember this is a conversation class; therefore, to develop your language skills you need to participate, talk during class and take part of class discussions.

In order to gain the most out of class time, please come prepared to talk about reading assignments and questions on movies using recent grammar and vocabulary. Cultural questions are always welcome. Feel free to ask. You earn daily participation by arriving on time, engaging in activities and discussions, and staying until the end of class.

Participation and attendance credit can also be earned during Lab Times -12:30-1:45 pm Tuesdays and Thursday.

If you miss any class, your participation grade decreases. Each absence decreases your participation grade by approximate 3.5%. Missing any **six days** (Monday – Friday) results in an FA. If your absences are excused and you provide documentation, participation points may be made up. Please ask me how. Late arrivals and early departures lower your participation grade by approximately 1%.

Attendance/ Tardy Policy: The above policies are set forth by Rock Hill High School and Winthrop University. Each will be strictly observed. Students may not miss more than 6 days in the class to earn high school and college credit. Please note there are time restrictions at the collegiate level for dropping this class. For example,

- August 23, 2024: Last day to drop Winthrop class
- October 23, 2024: Last day to withdraw from Winthrop class

IX. Homework:

Your homework consists of preparing yourself to participate in class, which includes:

- completing assigned readings
- watching assigned short films or doing cultural research
- studying vocabulary connected to readings and videos

NOTE: All activities are due **at 12:30 the day of the class**

Late work: All work is due on the date and time indicated, regardless of whether or not you are in class. If you miss a graded in class activity, please provide documentation of your absence. If your absence is excused, you may make up the work within 2 school days of your return.

X. Quizzes:

1. **Vocabulary:** You will take approximately four quizzes that focus on recent vocabulary words from the chapters' book *En Busca de Mi Destino*. You will have fifteen minutes for each quiz. Demonstrating your mastery of vocabulary will improve your daily conversations and your oral exams and test (pruebas) compositions. The final quiz grade will be an average of the four vocabulary grades, and it is 15% of your final grade.
2. **Chapter:** You also have chapter quizzes with 3-4 questions regarding each chapter of the book *En Busca de Mi Destino*. The final quiz grade will be an average of the chapters' quiz. This average is 40% of your participation grade.

XI. Oral Exams

Los exámenes orales: There are two oral exams both face to face with me about the movies. Please check the calendar provided. I will provide the questions you need to study. During each oral exam you will randomly pick a number from a bag. I will give follow-up questions regarding your personal opinion-critical thinking and other issues. Your answers should demonstrate your ability to speak using new vocabulary terms and fluency. Please include details. The longer your answers, the less questions I ask.

XII. Tests (Pruebas) and Final Exam-

There are **two tests** (pruebas) about questions from the book- *En Busca de Mi Sendero*. I will provide the questions you need to study. Each test will have two sections:

1. Answer five questions out of ten. Paragraph length (5 sentences) using connectors.
2. Answer two questions out of five. Paragraph length (10 sentences) using connectors with your opinion and your personal analysis.

Your answers should demonstrate your ability to write using new words and grammar points learned.

Final Exam- TBA

The final exam is face to face with me about the book and the movies. I will provide the questions you need to study. During the final exam you will randomly pick a number from a bag. I will give follow-up questions regarding your personal opinion-critical thinking and other issues. Your answers should demonstrate your ability to speak using new vocabulary terms and fluency.
