

## PHILOSOPHY AND RELIGION GUIDED PATHWAY

Dive deep into the fundamental nature of human existence and the world beyond: morality, truth, beauty, reality—our most profound questions and their mind-bending answers. Winthrop University’s Bachelor of Arts in Philosophy & Religion with a concentration in Philosophy features small class sizes and the close attention of an expert, dedicated faculty. We feature expertise in the world’s major religious traditions including Christianity, Buddhism, and Hinduism. We also feature a pre-seminary program for those interested in a career in ministry. Philosophically, we specialize in applied ethics, the philosophy of law, social and political philosophy, environmental and business ethics, the philosophy of religion, existentialism, and Continental philosophy!
