

EDUCATIONAL STUDIES, SPECIAL EDUCATION GUIDED PATHWAY

Earn an Associate of Arts from Central Piedmont Community College, and transfer to Winthrop University to earn your Bachelor of Science in educational studies - special education. The educational studies program prepares undergraduate students to be effective community leaders, and educators. The special education concentration includes courses focused on the unique needs of students with disabilities across a variety of settings. While this degree does not provide an opportunity for teacher certification, it could be a pathway to the Master of Arts in Teaching (M.A.T.) degree for students who eventually want to earn certification at the graduate level.

10/24

TERM 1 at Central Piedmont
