

# Science and Health Meta-Major

Meta-Majors are an easy way to find the major that's right for you! The degrees within the Science and Health Meta-Major share courses to help you to complete your associate's degree from Greenville Technical College and seamlessly transfer to Winthrop University to earn your bachelor's degree.

The Science and Health **Meta-Major** is right for you if you enjoy exploring and understanding the world around you- theoretical, physical, biological- it's all a puzzle that drives you to find a solution. You're a problem solver and complex systems like a chemical bond or the human body fascinate and inspire you.

Within the Science and Health Meta-Major get a jump start on your degree requirements for any of the following Winthrop majors:
