Information about AIG the Student Health Insurance Plan

Qualifying students may purchase the Student Health Insurance Plan directly from the company, AIG, by logging in to the student insurance website at www.studentinsurance.com and choosing Voluntary Enrollment. Qualifying means: Students who are eligible to pay the Student Health Services health fee (if applicable); and are

1. Undergraduate students enrolled in a minimum of 6 credit hours; or
2. Graduate or Professional Students enrolled in the graduate or professional degree program, taking at least one graduate level course, in good academic standing and making appropriate progress toward graduation.

Health insurance is mandatory for international students and the charge for the Student Health Insurance Plan will be added to tuition and fees. International students who have comparable alternate insurance may submit a waiver to www.studentinsurance.com for review in order to have the insurance charge removed from the student’s account.

AIG website navigation tips:

To find the Winthrop University policy and enrollment page select South Carolina in the drop down box titled Select your state, once you select SC another box will appear for you to Select your college select Winthrop University. This will bring you to the Insurance for Winthrop University specific page from here you can view the benefits, enroll or reenroll in coverage.
