Program Description and Options

The Winthrop University MSW program is fully accredited by the Council on Social Work Education (CSWE) and offers four different options for completing the MSW degree:

I. FULL-TIME TRADITIONAL PROGRAM (60 CREDITS)

A two-year program for students interested in full-time study. Each cohort begins in August and completes four semesters of study, including two field internships.

II. FULL-TIME ADVANCED STANDING PROGRAM (39 CREDITS)

A one-year program for students who already have a CSWE-accredited BSW degree. Each cohort begins in May and completes a full calendar year of study, including one field internship.

III. WEEKEND TRADITIONAL PROGRAM (60 CREDITS)

A three-year program for working students interested in part-time study in an intensive weekend format. Each cohort begins in August and continues for three years. Each course meets for two intensive weekend sessions one month apart, accompanied by independent readings and projects. Field internships are at reduced hours over a longer period of time to better accommodate the needs of working students.

IV. WEEKEND ADVANCED STANDING PROGRAM (39 CREDITS)

A two-year program for working students who already have a CSWE-accredited BSW degree and are interested in part-time study in an intensive weekend format. Each cohort begins in August and continues for two years. Each course meets for two intensive weekend sessions one month apart, accompanied by independent readings and projects. Field internships are at reduced hours over a longer period of time to better accommodate the needs of working students.

100% online MSW program option available.

Field Instruction

Students in the MSW program complete field practicum internships at area community agencies during their program of study. The staff in the Field Office will find the most appropriate placement for each student. Full-time traditional students complete a 16 hours-per-week foundation level internship during their second semester of study and a 24-hours-per-week advanced practice internship during their third and fourth semesters of study. Full-time advanced standing students complete a 24 hours-per-week internship during their fall and spring semesters of study. Weekend traditional and weekend advanced standing program students complete extended internships at 12 hours-per-week during their program of study.

Application Requirements and Admissions Criteria

Applicants to the graduate program in social work are required to have an undergraduate degree. A CSWE-accredited BSW degree is required for admission to either of the advanced standing programs.

The selection of potential degree candidates for the Master of Social Work degree program is very competitive. Applicants must have acceptable grade point averages and satisfactory scores on the GRE or the MAT. In addition, three recommendations, a professional resume, and a comprehensive statement of personal goals are required.

Application Forms and Process
