Resource Center for Adult Students

Providing support and services to Winthrop's non-traditional, veteran, and transfer student populations.

Mission

The mission of the Resource Center for Adult Students at Winthrop University is to provide support services, programming, and advocacy for non-traditional, veteran, and transfer student populations. The Resource Center collaborates with campus offices to attend to the unique needs of these students and coordinates university efforts on their behalf.

The Resource Center for Adult Students serves non-traditional, veteran, and transfer students in the following ways:

- Developing and implementing new and enhanced educational and social programs and services
- Serving as a campus consultant and advocate for adult student needs
- Assisting students in navigating the university's policies and procedures
- Providing referrals to campus resources and offices
- Facilitating educational and training programs for faculty and staff to support the recruitment, retention, and graduation of adult students

Student Advocacy

The Resource Center for Adult Students provides non-traditional, veteran, and transfer students with resources and referrals as they navigate the university's policies and procedures. Individualized attention is provided for these populations to ensure a seamless learning experience and a smooth transition to Winthrop University. Staff in the Resource Center for Adult Students is available to assist students in addressing concerns, familiarizing themselves with resources, and negotiating challenges presented by their unique status.

Educational Opportunities

The Resource Center for Adult Students provides multiple opportunities for students to learn about and familiarize themselves with the obligations and opportunities presented to them as Winthrop students. Students can engage in a variety of workshops, seminars, and campus programs to assist them in transitioning and succeeding at the university.

Peer and Campus Engagement

Students transitioning to Winthrop, regardless of their background, will thrive when engaged on campus. The Resource Center for Adult Students assists students in creating connections on campus through peer mentoring programs and campus organizations and involvement.

Faculty and Staff Resources

The Resource Center for Adult Students serves as a resource for faculty and staff on campus who may have questions about working with non-traditional, veteran, and transfer students. Faculty and staff are encouraged to contact the Resource Center staff at 803/323-4784.
