a. For the Medieval Studies minor, in the current catalog and all previous catalogs, allow ENGL 325 or THRT 397 to count as an elective in the MDST minor when cross-listed with MDST 350 (European Drama before Shakespeare).

b. For the BA in Mass Communication in the journalism interest track, in the current catalog, drop the requirement that students take both MCOM 342 and MCOM 325, and instead require only one of the two courses. They are being taught together in an extended lab format this year, so students taking both courses would be repeating the same content.

c. For the BS in Integrated Marketing Communication, in all previous catalogs, substitute QMTH 210 for QMTH 206 as a required course. QMTH 206 is no longer being taught.

d. For the BA in Psychology, in the 2011-12 catalog and thereafter, allow students to repeat PSYC 471 and/or PSYC 472 for credit, with no more than three credit hours counting toward the psychology major requirements and no more than an additional three credit hours counting toward the overall degree.

e. For the Social Welfare minor, in all previous catalogs, allow students to complete the minor with 15 credit hours rather than 18 credit hours, in line with the reduced number of hours approved for the 2015-16 catalog.

f. For the Spanish major (with or without CSST), in the current catalog and all previous catalogs, allow SPAN 360-002 (Latin American Short Story, taught Spring 2016) to satisfy the major requirement ordinarily satisfied by SPAN 401.

III. Adjournment
Note: The next meeting is scheduled for March 25th at 11 p.m.
