III. Dr. Jesse Hamm presented the following program action that was postponed at the September 1, 2017 meeting.
   A. Department of Political Science
      i. Creation of a certificate in Political and Civic Engagement

Discussion concerning the PLCE certificate ensued. Jennifer Disney presented a description of the proposed certificate program. From the discussion two key concerns emerged.
   1. Concern about the confusion the name might cause since the MLA program has a concentration by the same name
   2. Concern about the lack of pre-determined admission requirements for the certificate, especially since enrollees might assume they can easily transition to the MLA program
A motion to postpone the vote was approved. Dr. Siobhan Brownson, director of the MLA program; Dr. Jennifer Disney, department chair of Political Science; and Dr. Marsha Bollinger, department chair of Interdisciplinary Studies, will meet to further discuss these issues and may eventually involve the board for the MLA program and the department of Political Science.
