

Microscopy Committee

Chair: Appointment made by Biology Chair

Purpose: To advise the Director of the Microscopy Facility, promote the work of the facility, review annual reports from the Director, and make informed recommendations to the equipment committee and the faculty as a whole regarding present and future uses of the Microscopy Facility and new microscope purchases both for the Microscopy Facility and for laboratory teaching

Committee Description:

Faculty Membership Requirements

- Must be full-time faculty
- Must be either tenure-track or full-time instructor
- Not including the Director of the Microscopy Facility, the committee should be composed of 6-7 members, including one non-biology department representative who uses the facility in teaching or research

Service Limits

- Committee members serve a 3 year term (staggered)
- Consecutive terms are permitted

Chair Appointment

- The chair is appointed by the department chair

Responsibilities: None

Policies: None
