COURSES IN INDIVIDUALIZED STUDIES

IDVS 390 - Individualized Studies Project: Research and Design (3).

Description: Students will focus on skills to develop a senior capstone project, find and organize relevant information, examine and critique evidence, establish criteria, and create a plan to complete a senior individualized studies project.

Prerequisites: IDVS major and at least junior standing, completion of approved research methods course within program of study and completion of CRTW 201 with a grade of C or better; or permission of IDVS program director.

IDVS 461, 462, 463 – Internships in Individualized Studies (1, 2, 3).

Description: An opportunity for students to earn academic credit for experience gained through apprenticeship work related to the theme of their individualized degree program under the supervision of a trained professional.

Prerequisites: Overall GPA of 2.0, 2.0 GPA in major courses, and permission of IDVS director

IDVS 490 - Individualized Studies Project: Capstone (3).

Description: Students will complete, present, and defend the capstone project developed in IDVS390.

Prerequisites: Completion of IDVS390 with a grade of C or better and permission of IDVS program director.
