

GEOGRAPHY CAREER OPPORTUNITIES

Need some general language here about the types of things geographers do and how a minor in GEOG might be helpful.

More information on careers in geography is available at the following sites:

- Association of American Geographers careers page - <http://www.aag.org/cs/careers>
- UK Geographical Association careers page - <http://www.geography.org.uk/resources/careers/>
- Geography Jobs.com - <http://www.geographyjobs.com>
