- * Most programs will probably insert a study abroad semester in one of these semesters/years. The green highlighting will move to any relevant semester(s) to show where the study abroad semester is.
- ** CRTW 201 should be taken sometime during the Sophomore year. This could be either fall or spring, depending upon course availability, major program requirements, and/or study abroad placement options.
- *** Students whose programs recommend study abroad during the senior year will need to comply with the residency requirements listed here: <http://www.winthrop.edu/uploadedFiles/recandreg/Catalogs/12-13/Degree-Requirements.pdf>.
