* Most programs will probably insert a study abroad semester in one of these semesters/years. The green highlighting will move to any relevant semester(s) to show where the study abroad semester is.

** CRTW 201 should be taken sometime during the Sophomore year. This could be either fall or spring, depending upon course availability, major program requirements, and/or study abroad placement options.

*** Students whose programs recommend study abroad during the senior year will need to comply with the residency requirements listed here:
