To which scholarship are you applying (check all that apply):

**Linda M. Ashley Scholarship-** The Linda M. Ashley Scholarship is a competitive award made to a nontraditional age student (age 30 or older) in social work. BSW and MSW students are eligible to apply. Applicants should submit a one-to two page statement addressing their interest in social work as a career, their journey as a nontraditional age student, and their academic and professional achievements. Applications are accepted in February and awards are made in April of each year. Applications are accepted in February and awards are made in April of each year.

**Virginia W. and Elizabeth C. Mortimer Scholarship-** The Mortimer Scholarship is a competitive scholarship award made to MSW students who demonstrate a career interest in either affordable housing or emergency services. Applicants should submit a one to two page statement addressing their interest in a social work career in either affordable housing or emergency services and their academic and professional achievements. Applications are accepted in February and awards are made in April of each year.

**Ernestine C. Player Scholarship-** The Ernestine C. Player Scholarship fund provides scholarships and/or discretionary funds to benefit MSW students who demonstrate potential for academic excellence. Applicants should submit a one-page letter of application to the Scholarship Committee. Applications are accepted year round. Awards are typically made in August.

**To be considered for a graduate scholarship, submit the following information to the Social Work Scholarship Committee at [socialwork@winthrop.edu](mailto:socialwork@winthrop.edu).**

- **Scholarship Application Form**
- **Resume**
- **Personal Statement outlined in the description for the scholarship (written after each scholarship listed above). You must submit statements for each scholarship you apply for.**

Applications received will be held until the review period listed for each individual scholarship.
