

Summer 2021 Registration and Fee Payment Process

Please read carefully the following information outlining the summer 2021 registration and fee payment process.

Fee payment dates will be determined based on the ***dates the students register regardless of session***. Summer payment plans will be available to students at no charge.

- Students who register, regardless of session, between ***March 24th and May 13th*** must settle* their account to protect their summer registration by ***2:00 pm on May 13th***. If the account is not settled by the due date, registration for ***all*** summer classes, regardless of session, will be dropped for non-payment.
- Students who register between ***May 14th and June 3rd*** must settle* their account to protect their summer registration ***by 2:00 pm on June 3rd***. If the account is not settled by the due date, registration for ***all*** summer classes, regardless of session, will be dropped for non-payment.
- Students who register between ***June 4th and June 24th*** must settle* their account to protect their summer registration ***by 2:00 pm on June 24th***. If the account is not settled by the due date, registration for ***all*** summer classes, regardless of session, will be dropped for non-payment.
- Students who register between ***June 25th and July 8th*** must settle* their account to protect their summer registration ***by 2:00 pm on July 8th***. If the account is not settled by the due date, registration for ***all*** summer classes, regardless of session, will be dropped for non-payment.
- Students who register ***after July 9th*** must settle* their account to protect their summer registration the same day they register.

*To settle their account, the student must pay in full, enroll in a payment plan and make the initial payment, or provide proof of full financial aid. Students who plan to use outside funding of any type (private loans, federal aid, scholarships) to help in paying their summer fees, must fill out [a Summer Financial Aid Application](#) prior to the start date of their courses for which the financial aid is paying.

It is important that students understand they are financially responsible for all registered courses; therefore, **they must drop any course they do not plan to attend**. *They can no longer assume classes will be dropped for non-payment.*

For students registering for summer courses before April 19th - please note that fees for the summer term will not be assessed until April 19th. Students may view their summer charges at that time.

Students registering for summer courses before April 19th should receive an e-Bill for Summer. Students registering for summer courses on or after April 19th must view their account balance via the Account Summary and Payments link in WINGSPAN.
