STUDENT EVALUATION OF INSTRUCTOR AND COURSE
WINTHROP UNIVERSITY COLLEGE OF BUSINESS ADMINISTRATION

Purpose of Evaluation:
Student evaluations are a valuable part of faculty development at Winthrop University. They play an important role in annual evaluations of faculty, as well as in tenure, promotion, and post-tenure review decisions. Students have the opportunity to evaluate instruction anonymously in every course. In order to assure anonymity, you are neither to write your name on the evaluation form nor complete the form in the presence of the instructor. Completed forms should be collected only by a designated person and taken to the College of Business Administration office. Results will not be provided to instructors until after course grades are submitted. If you have concerns about whether these procedures are followed, you may confidentially contact a department chair or the dean of the College of Business Administration.
