Arts Council of York County Internship Description

The Arts Council of York County, a non-profit organization, seeks an enthusiastic intern to assist our staff in one or more of the following categories: marketing and public relations, event planning, and/or gallery management.

The ideal candidate will have an interest in the arts, an understanding of social media, an understanding of databases, and excellent written and oral communication skills. Depending on the chosen internship category, Arts Council interns will have the opportunity to gain hands-on experience in public relations (including spots on WRHI and CN2), event planning, marketing (research, social media, e-blasts, advertising, etc.), design (web and print), copywriting, database maintenance and branding.

Candidates must be seeking a degree that falls under one of the following categories: Mass Communication, Marketing, Business, or Visual Communication.

To apply, please send cover letter, resume and an email of interest to Bara Wetherell at bara@yorkcountyarts.org.
