Purchasing Improvement Assistant
Internship

For 90 years, CEENTA has provided comprehensive eye, ear, nose and throat care to generations of Carolinians. We are looking for a qualified individual to fill this internship position and help us work towards our company’s mission of providing quality healthcare to our community. The qualified applicant must exhibit strong administrative and organizational skills, excellent computer knowledge, exceptional attention to detail, and the ability to work well independently.

The primary locations for the work will be at our SouthPark location, Eastover location, and possibly working from home.

This is a paid position that is expected to last three to six months.

Interested candidates may contact Tara McAlister or Chase Martin in Human Resources at (704) 295-3411.

Please fax your resume to (704) 295-3415 or email it to rcmartin@ceenta.com.
