Courses do not have to be taken in this exact order. This is just a suggested eight semester plan that has outlined what a student would need to take in order to graduate in four years. Pay close attention to the suggested time frame for the courses in the specified concentration, many courses are only offered in either the fall or spring.

For a list of courses that satisfy your Historical Perspective, Humanities & Arts, Global Perspective, and Natural Science please view course offerings or Degree Checklist.

Electives are courses that cannot satisfy your General Education and Major degree requirements; please view your degree checklist to determine which classes qualify.

ENTR Electives include BADM 561, ENTR 491, MGMT 322, MKTG 382, 481, 482, and 581

* HIST 211 is a suggested Historical Perspective because it satisfies your constitution requirement.

* If you took HIST 211 as a Historical Perspective you may take an elective in place of the constitution requirement.
