What? A unique opportunity to join the Windows UCrew for the 2012-2013 academic year on your campus as a Student Representative. This is a paid internship that is guaranteed to be a unique and exciting experience.

Who?
We are looking for someone...

- Outgoing, and highly influential with their peers
- Active in social networking
- Involved with on-campus student organizations and activities
- Capable of meeting the program requirements

What will you do? As a Campus Entertainment Student Representative for Windows, you will engage students at your campus to raise awareness for the Windows brand and other Microsoft products. You will learn marketing, communication and organizational skills all while having fun interacting with your peers and earning some cash.

Representative Responsibilities:

- Conduct 40 hands-on, peer-to-peer trials of Windows and other Microsoft products each week of the program and document these trials through an online survey.
- Representatives are required to be full-time undergraduate students and make a year-long commitment. They will dedicate 12 hours of each week to the program.
- Representatives must participate in approximately 10 hours of online web training prior to the start of each semester.
- Utilize the UCrew website to interact with other representatives, report results, share student insights, and post engaging content.
- Circulate marketing materials and promotional items provided to you.
- Use your social networking contacts and marketing savvy to publicize Microsoft products.
- Follow promotional calendar and complete assigned weekly tasks such as tabling events, group presentations and contests.

Incentives?

- $120 a week for the 30-week term for a **$3,600 stipend** paid in four installments (two per semester) with opportunities to earn bonuses.
- HP Spectre XT laptop and tablet for use during the program. Students who meet requirements will be able to keep these items at the conclusion of the program.
- Valuable Experience to add to your resume.

Campus Entertainment is preparing for our fall programs and we are hiring students at Winthrop University. The Windows UCrew program is a unique opportunity for the 2012-13 academic year. As a Campus Entertainment Representative for Windows, students will engage their peers at their campus to raise awareness for the Windows brand and other Microsoft products. They will have the opportunity to gain marketing, communication and organizational skills as well as enhance their leadership skills, all while having fun interacting with other students and earning a stipend. Please refer to the job description for more details (click here).

We would like to ask you to share this exciting opportunity with your students in the Department of Accounting, Finance and Economics. Students may apply by going to the link and completing the form (click here). Remember, applicants must be full-time, undergraduate students and able to commit to work the program for the entire academic year.

Again, Campus Entertainment is thrilled to be leading the Windows UCrew program for the 2012 – 2013 academic year. We will be hosting the program at 500 campuses next year and hope one of your students will apply to join the team. Please let us know if you have any questions.

Best Wishes!
