This is a suggested eight semester plan. Courses do not have to be taken in this exact order. Pay close attention to the suggested time frame for the courses in the specified concentration; many courses are only offered in either the fall or spring.

- ¹ For a list of courses that satisfy **GENERAL EDUCATION** (Global Perspective, Historical Perspective, Humanities & Arts, Natural Science, Quantitative Reasoning, and Social Science) please view the course offerings page online or the Degree Checklist.
- ² Courses satisfying **Intensive Writing, Constitution, and Oral Communication** can be shared among other General Education requirements. We suggest taking one of ECON 103, HIST 211, 212, or PLSC 201 to satisfy your Constitution and General Education so you can avoid taking more courses than necessary.
- ³ **ELECTIVES** are courses that do not meet specific degree requirements, but are needed to meet the graduation requirement of 120 hours. Electives can include courses for an additional concentration or minor.
