2014 SUMMER INTERNSHIP PROGRAM ANNOUNCEMENT

The Economic Directorate of the U.S. Census Bureau is accepting applications for its 2014 Summer Internship Program. The Summer Internship Program consists of a paid, ten week core program in the Washington, DC area. Candidates selected for participation in the Summer Internship Program will begin their employment on or about June 2, 2014.

Internships offer qualified applicants an opportunity to work in one or more of the following areas:

- Federal Audit and Reporting Programs;
- Construction, Manufacturing, Services, and Retail and Wholesale Trade Statistics;
- Information Systems and Technology;
- Statistical Research and Methodology; or,
- Other fields related to Economics.

The summer internship program consists of a combination of substantive work, equivalent to that of an entry level professional, and a series of technical and substantive training seminars. We seek individuals at all levels (B.A., M.A., and Ph.D.) who are self-starters and highly motivated with excellent analytic, quantitative, computer, and communication skills. Requirements include U.S. citizenship and enrollment in a degree-seeking program.

For more information or to apply, please send your resume and transcripts via e-mail to:
