## EXPERIENCE

Arby's – Team

April 2018-2019

*Florence, South Carolina*

- I learned to operate a cash register as well as serve customers under pressure. I was responsible for ensuring the customer is served in a timely manner while keeping the store stocked with merchandise, allowing a smooth transition for the customer from cash register to the dining area.

Grimmage & Sons Trucking - Loader

Summer 2016-2017

*Georgetown, South Carolina*

- I was responsible for loading cut logs onto trucks in a safe and timely manner. During my time as a loader I learned the skills of precision because one small mistake can lead to injury of yourself or another person, and persistence because weather conditions in South Carolina can be extreme and make a person want to quit very early into the process of clearing the land.

## ACTIVITIES

- Winthrop Fencing Club 2019- Present
    - The Winthrop Fencing Club meets twice a week and allows for students to learn fencing without requiring former experience or equipment. Fencing emphasizes knowledge in the areas of patience, strategy, and confidence.
  - National Association for Black Accountants (NABA) 2019- Present
    - NABA allows for students to be involved in the community and school. The organization allows for students to choose a committee to work in where they can learn how to: plan volunteer events, plan events for the club members and other students on campus, market events the club is producing, and work with professionals, primarily from the Charlotte area, to form networking relationships.
  - Winthrop University Improv Club 2019- Present
    - Improv Club has helped me learn to think fast and make plans quickly and adjust them accordingly.
