This is a suggested eight semester plan. Courses do not have to be taken in this exact order. Pay close attention to the suggested time frame for the courses in the specified concentration; many courses are only offered in either the fall or spring.

- ¹ For a list of courses that satisfy **GENERAL EDUCATION** (Global Perspective, Historical Perspective, Humanities & Arts, Natural Science, Quantitative Reasoning, and Social Science) please view the course offerings page online or the Degree Checklist.
- ² Courses satisfying **Intensive Writing, Constitution, and Oral Communication** can be shared among other General Education requirements. If you have already satisfied the requirement with a general education course you may take an elective in its place on the semester plan.
- ³ **ELECTIVES** are courses that do not meet specific degree requirements, but are needed to meet the graduation requirement of 120 hours. Electives can include courses for an additional concentration or minor.
- ⁴ **Courses in BOLD** are only offered in the specified semester. Ex. ECON 315 is only offered in the Fall.
