

Join SOAR!

S.O.A.R. (Serving Others And Reflecting) is a student directed, service oriented club that impacts the campus community and surrounding areas. Members are instrumental in coordinating service projects and volunteer initiatives. Projects cover a wide range of topics such as animal rights, children, elderly & special needs, environmental, healthcare, and hunger & homelessness. All divisions have an elected student leader who regularly works with students and community partners to offer events and opportunities to volunteer.

Time Commitment: You can decide how involved you want to be with SOAR – come to one event, lead an event, come to all events – you pick!

General Meeting Days: Every other week @ 7:00 p.m. (Specific day determined each semester – contact soar@winthrop.edu with questions)

Organization Website: <http://soar11.wix.com/winthrop>

Divisions

S.O.A.R. is committed to partnering with the Winthrop University campus and local community to promote awareness and appreciation on various themes. Listed below are the divisions and possible ideas on how to become more involved. To find out about upcoming events related to your interests or to come to a meeting as a speaker, contact SOAR Student Director at soar@winthrop.edu.
