

Career and Civic Engagement Alumni Policy

Policy Description

Winthrop University's Center for Career and Civic Engagement (CCE) is available to all students (undergraduate and graduate, on campus and online) and alumni of Winthrop University. All services are free* to currently enrolled students. To promote the success of our recent graduates we offer all student services free* after graduation, including career counseling.

Policy Procedures

- Access to EAGLElink (web-based job listings),
- Participation in our career and/or graduate school fairs,
- Participation at any of our career development workshops,
- Graduate school practice tests through our partnership with The Princeton Review,
- Career library resources, and
- Access to computers with internet access to assist in the job search.

*If a career assessment is administered, a fee will be incurred by the student/alumni to cover the cost of the assessment.
