Director's Message

It has been an incredible first half of the school year! I am so truly humbled by the quality of relationships that have been formed between students, families, and teachers at Macfeat, and I am so grateful to be part of your families' journey.

I hope the winter break provides opportunity for quality time as a family, moments of peace and relaxation, and abundant joy!

Return to School

As we go into the break, I encourage you to maintain the same precautions in regards to exposure when returning to school in January. If you have any suspicious symptoms, please side with caution before sending your child to school. Thank you for your help with keeping us all well!

Please be sure to update your child's change of clothes to reflect the most recent weather conditions.
