

Name _____

**WPDC Instructor Information Form
Part III: Demonstrated Scholarship**

As required by CHE, "Faculty teaching graduate courses must provide documentation of contributing to the knowledge base of the discipline they teach through scholarship, application, or publications." **Each WPDC instructor, regardless of degree, must show some evidence of scholarly activity.** This can be in the form of workshops conducted, teacher in-services, presentations at state or national conferences, or publications (newsletters, articles, books, training manuals). A vita or resume that clearly shows these areas may be substituted for completion of this form.

Workshops and Presentations:

Include the date, title, place of presentation, and names of co-presenters.

Publications:

Include authors, publication title, publication date, and publisher.

Other:
