Application for Graduation

- Students should apply to graduate upon earning 87 hours.
- Applications for graduation are completed in Wingspan under the Student Tab (select apply to graduate).
- The student must inform the Office of Records and Registration if there has been a change of major, minor, or concentration so that a new degree review can occur.
- $50 graduation fee is due at the time of the submission of the graduation application.
- Deadlines: See Calendar Section
- Application filed after deadline will result in a late fee

Auditing Courses

- Student may audit a course with the permission of the instructor of the course, the department chair, and the academic dean on a space available basis.
- Students have through the first week of the beginning of the fall and spring semester and the first day of each summer session to select the audit option.
- Students are not required to participate in any examinations or graded course assignments.
- Students must complete a Course Audit Form (https://www.winthrop.edu/uploadedFiles/recandreg/Course-audit.pdf) in the Office of Records and Registration.
- Tuition is the same for auditing course as it is for taking the course for credit.

Change of Catalog

- Students can elect to change catalogs to a later year.
- This is typically done when a program has a predicted change in process when the student comes to the university, but the new program will not appear in the catalog until the next year.
- When a student changes catalog they are subject to all expectations in later catalog including, but not limited to graduation expectations set by program and university; general education requirements in the new catalog; and GPA and testing requirements in new catalog.
- The process begins by undergraduates submitting a form (https://www.winthrop.edu/uploadedFiles/recandreg/CHANGEOFCURRICULUM.pdf) to the Student Services office.
- The process begins by graduates submitting a form (https://www.winthrop.edu/uploadedFiles/recandreg/gr-change-of-concentration-catalog.pdf) to Office of Records and Registration.

Change of Major

- Grade changes are processed through Wingspan and require approval of the Dean. This approval is facilitated in the system but requires instructor to include justifications when submitting change.
- Instructions are provided by the Office of Records and Registration.

- Instructors are encouraged to document requirements for removing the incomplete grade for a higher grade in writing with an acknowledgment from the student. A copy of this should be provided to the chair in case the faculty member is unavailable and the student has questions. COE form available at: [https://www.winthrop.edu/coe/coe-forms.aspx](https://www.winthrop.edu/coe/coe-forms.aspx).

### Registration

- Registration for courses is completed in Wingspan ([wingspan.winthrop.edu](http://wingspan.winthrop.edu)).
- Fall registration begins in April, spring registration begins in November and both continue until the beginning of the semester.
- Summer registration (depending on the session) occurs over an extended period and ends on the first day of classes in that session.
- Early registration is available for certain populations of students the day before the posted start of registration.
- Newly admitted degree-seeking students must attend an orientation session to be able to register for first term courses.
- Consultation with an adviser is required prior to registration.
- **ADVISOR NOTE:** Each semester, you must go to Wingspan → Advising Menu → Advise Students → and click “yes” to lift the hold on each student’s account in order for them to register for classes.
- Dates and windows for the current semester are available at: [https://www.winthrop.edu/recandreg/registration-times.aspx](https://www.winthrop.edu/recandreg/registration-times.aspx)

### Repeat Exemption

- Any course may be repeated except courses with a grade of B or higher or a grade of S.
- Credit hours earned in a particular course taken at Winthrop will not be awarded more than one time (unless approved for additional credit).
- A student who enters Winthrop as a freshman is allowed a maximum of four repeated courses with grade exemption for any courses taken at Winthrop University.
- The original grade earned in the course will be exempted from the calculation of the cumulative GPA, but will remain on the transcript.
- Students who transfer to Winthrop with fewer than 40 semester hours of credit also are allowed the four course repeats with grade exemption; those with at least 40 and fewer than 70 hours are allowed three; those with at least 70 and fewer than 100 are allowed two; and those with 100 or more allowed only one repeated.
- Repeat exemptions only apply to courses taken and retaken at Winthrop.
- The repeat exemptions will be automatically applied to courses as they are repeated up to the allowed number of repeat exemptions.
- Receiving a grade of U in a repeated course will not replace a previous attempt’s grade, but will utilize one of the repeat exemptions.
- Students electing academic forgiveness (see Academic Regulations in current catalog) do not get additional repeat exemptions.
- For students receiving federal financial aid, the credit hours of the original course and the repeated course will both count in the student’s attempted hours for calculation of percentage of hours earned (See: Satisfactory Academic Progress Standards for Financial Aid [https://www.winthrop.edu/finaid/satisfactory-academic-progress.aspx](https://www.winthrop.edu/finaid/satisfactory-academic-progress.aspx)).

Updated 10/2019
## S/U (Satisfactory/Unsatisfactory)

- Students have **FIVE S/Us** available. **First time freshman may take TWO S/Us their first semester**, but after that, only one a semester like everyone else. (And in this case, all summer sessions – A, B, C and D – are considered one semester.) [Policy updated fall 2019]
- The five-course limit regarding the S/U option does not include those courses which are offered only on an S/U basis.
- **S/U does not impact GPA**; and credit is only given when S is earned. An S indicates a grade of C- or higher (for Honors, a grade of B or higher). A U indicates a grade of D+ or lower (for Honors, B-). Credit is not given for courses in which a U is earned.
- S/U must be chosen by the **final withdrawal date** – See page 16 for Five-Year Calendar
- A form ([www.winthrop.edu/uploadedFiles/recandreg/SU-form.pdf](http://www.winthrop.edu/uploadedFiles/recandreg/SU-form.pdf)) is required to change elect the S/U grading option and must be turned in to the Office of Records and Registration by the deadline. (See Registration Calendar [www.winthrop.edu/recandreg/registration-calendar.aspx](http://www.winthrop.edu/recandreg/registration-calendar.aspx))
- **Students should be aware of majors which do not allow the S/U to be used on courses within the major.** This information can be found in the catalog and checklists. ## Taking Courses at Another Institution

- Students wanting to take a course at another institution other than WU can visit [SCTRAC.ORG](https://sctrac.org) to determine the equivalence of the WU courses at the other institution. (on sctrac.org select Transfer Courses on homepage and enter information)

- To receive credit for a course taken at another institution, **student must first get permission from the Student Academic Services Office.** Students should submit an Approval to Transfer Credit Form ([https://www.winthrop.edu/coe/sas/forms-and-policies.aspx](https://www.winthrop.edu/coe/sas/forms-and-policies.aspx)) and submit to Withers 144. The student will need to take the approved form to the institution where the course is being taken.

- It is the student’s responsibility to have transcripts forwarded to WU. (This does not happen automatically.)

- Courses taken at other institutions **do not** count towards a student’s Winthrop cumulative GPA. As such they cannot be used to “replace” a grade in the Winthrop GPA calculation.

- If student is a recipient of the HOPE or LIFE state scholarship, courses taken at other institutions **do count** towards the LIFE GPA and hours needed to renew the scholarship for the following year.
