

## Breakout Edu Kits Available for Checkout from the ITC

The ITC has 8 breakout kits available for checkout. Each kit will follow regular ITC checkout policies, and each kit comes with the items listed below:

1. **Breakout EDU Large Box** – this is the main box that holds all other items. This can be locked.
2. **Breakout EDU Mini box**- this is a double zippered box that is about ¼ the size of the main box. A small lock can be placed through the zippers to lock it.
3. **Hasp**- The hasp contains six holes that locks can be placed in. The hasp is made to fit on the large breakout EDU box. This allows for group collaboration- each group has to find the information to unlock one of the locks so the entire class can unlock the box.
4. **Reflection Cards**- The reflection cards contain questions that elicit student thinking about their actions while they were working on the breakout activities
5. **Breakout EDU Multidirectional Lock**- This lock allows you to use a combination of 5 arrows as a clue. There are also some letters on this lock as well.
6. **Breakout EDU ABC Lock**- This lock allows you to use a combination of 5 letters as a clue.
7. **Breakout EDU Invisible Ink Pen**- This pen allows you to write messages using invisible ink that can be seen with a blacklight.
8. **Breakout EDU Blacklight**- This allows you to see invisible ink messages.
9. **Breakout EDU Lock with Key**- This lock only has one key that can open it.
10. **Breakout EDU 3 Number Lock**- This lock allows you to use a combination of 3 numbers.
11. **Breakout EDU 4 Number Lock**- This lock allows you to use a combination of 4 numbers.

### Additional Items

1. **Extra Breakout EDU ABC Lock**- This lock allows you to use a combination of 5 letters as a clue.
2. **Extra Breakout EDU Multidirectional Lock**- This lock allows you to use a combination of 5 arrows as a clue. There are also some letters on this lock as well.
3. **Igotech 4 Number Lock**- This lock allows you to use a combination of 4 numbers.
4. **5 Letter Word Lock**
5. **GoTravel Date Lock**- This lock allows you to use a date as the combination
6. **Extra Invisible Ink Pen**
7. **4 Sets of Extra Wheels**: 6 letter wheels, 5 color wheels, 5 shape wheels, and 5 number wheels.
8. **Mini Red Film**- Used to hide information- <https://gomeia.com/zine/tutorials/tutorial-how-to-create-a-decoder-design-in-illustrator/> or write a message in light blue using Microsoft Word and then cover it with layers of red, pink, orange, and yellow text.
9. **Directions on how to set locks**

## Breakout Edu Kits Available for Checkout from the ITC

Since multiple patrons will be using these locks, please record your codes so that we don't have locks that we can't use. Please note that if you return a lock that can't be unlocked, you will be charged for the lock. (\$10-\$15 per lock).

LOCK	ITC CODE	PATRON'S CODE
Breakout EDU Multidirectional Lock 1 (Red)	→→→→→→	
Breakout EDU Multidirectional Lock 2 (Blue)	→→→→→→	
Breakout EDU ABC Lock 1 (Red)	AAKUA	
Breakout EDU ABC Lock 2 (Blue)	AAKUA	
Breakout EDU 3 Number Lock	111	
Breakout EDU 4 Number Lock	1111	
Igotech 4 Number Lock	1111	
5 Letter Word Lock	SPELL	
GoTravel Date Lock	01JAN00	
6 Extra Wheels for the Breakout ABC or Directional Locks (place back in correct bag when done)	D THENZLPOR (2) A BCDEFGHYJ K LMNOPRSTW (2) → ↓ ← ↑ TAEIOUY	
Additional Wheels - 5 color wheels		
Additional Wheels - 5 shape wheels		
Additional Wheels - 5 number wheels		

Please write the lock combinations in the Patron's code box so you remember which lock has which code. The ITC Staff will check that the lock is unlocked when you bring items back in and will change the locks back to our default settings.

We have 6 extra wheels that will be placed in the breakout kits to help you create more combinations for the EDU ABC and Directional Locks. There are 2 kinds of wheels. The wheels that have the "spikes" on them have to be used as the first letter or arrow of the lock. The regular wheels can be placed anywhere in the lock code. Please see an ITC Staff member if you need additional assistance changing the lock codes.

Directions for changing Breakout EDU locks can be found at <https://www.breakoutedu.com/loctutorials/>  
 Directions for changing the additional locks in our breakout kit can be found inside the box.
