

After School Care Request

Dear Parent/Guardian,

After school care is available by semester, at \$5.75 per day, for Macfeet students from 3:30 to 5:30 Monday through Friday. To adequately staff this program, we need to know if you anticipate using this extended care. This is not a binding agreement, nor does this preclude your making arrangements for care at a later date. If you are relatively certain now that you will be using this service, please sign the form below and return to the office at Macfeet by June 7.

Thank you for your assistance.

Dr. Erin Hamel
Director

I will need after school care for my child during the upcoming school year:

Child's Name: _____

Parent/Guardian's Signature: _____ Date: _____
