#### **V. Major Curricular Topics:**

The Teacher Cadet curriculum is written and coordinated by the Center for Educator Recruitment, Retention, & Advancement (CERRA) at Winthrop University under the auspices of the State of South Carolina.

## **VI. Course Outline:**

The course will be taught in the sequence of units within the curriculum. When necessary, the teacher will make adjustments to the course calendar.

## **VII. Course Credit:**

Teacher Cadet is an AP-weighted, dual credit accrual course. Students earn one Carnegie unit of high school credit and three hours of transferable college credit upon successful completion of the course.

Students at Rock Hill High School receive college credit through Winthrop University. Students complete registration paperwork provided by the college, and at the annual College Day on Winthrop University's campus, they receive a college ID.

The course is a three-hour (credit) course that can be transferred to any college or university either in S.C. or out-of-state. Each Teacher Cadet high school is partnered with a college or university in its area to be the credit-granting institution. **It is the student's responsibility to request that this credit is transferred to the college of their choice. Forms will be provided to students at the end of the year.**

## **VIII. Grading, Student Records, and Homework:**

Student progress is assessed during each grading period of the course. Methods of demonstration, modeling, teamwork in pairs and small groups, hands-on activities, projects—research, computer, video or multi-media, presentations, tests, readings, essays, participation, and self-evaluations will be used for assessment. Students will receive grades through the **point system**. Each assignment will be assigned a set number of points, and the student must accumulate a set total to equal the grade for the quarter. The field experience will be assessed through **journal writing, lesson plans, and a portfolio**.

High School Grading Scale:

A=90-100%

B=80-89%

C=70-79%

D=60-69%

F=59 and below

## **Homework Policy:**

Students are expected to finish required daily written work and reading assignments for homework if the work is not completed in class.

## **IX. Class Procedures and Class/School Rules:**

Student Behavior: Teacher Cadets are given many responsibilities. They must be mature, dependable, responsible, but most of all trustworthy. **BEING A MEMBER OF THIS PROGRAM IS A PRIVILEGE.**

In order to promote positive choices, prevent discipline measures, and to enhance the credibility of the Teacher Cadet Program, Teacher Cadets must comply with duties and responsibilities set forth by the Teacher Cadet instructor and the administration, in addition to school/district rules outlined in the Student Handbook.

Students are advised to follow the rules and procedures, as well as the expectations, for the class. The Teacher Cadet instructor will explain those procedures as part of lesson assignments.

## **X. Classroom Management:**

Students are expected to behave in a respectful way as it relates to people, property, and others' rights to learn. Failure to do so will result in appropriate punishment.

**When students are the guests of other district schools during observations and field experience, they are expected to follow all rules of \_\_\_ High School and represent the school in a manner that brings honor and dignity to the school and to the Teacher Cadet program. Failure to do so may result in removal from the program. If removed and a TC has paid for college credit at the partnering college/university, all rights to credit from the Teacher Cadet course will be forfeited and no refund of any payment will be given. This is a**

**college/university policy. Neither the Teacher Cadet instructor nor the school will be held liable for fees already processed by the partnering college/university. Additionally, if a student withdraws from the course or is removed for reasons stipulated in the syllabus, he or she will receive an F at the college level.**

#### **XI. Absences & Make-up Policy:**

Students are expected to turn in previously assigned projects the day they return to class. For all other work, they have 5 days to make up the work they missed.

#### **Attendance/Tardy Policy:**

The policies are set forth by the school **and** the partnering college or university. Each will be strictly observed. Students may not miss more than 6 days in the class in order to receive high school and college credit. Please note there are time restrictions at the collegiate level for dropping this class.

During the field experience, it is extremely important that students inform the supervising teacher at the assigned school **and** Ms. Weaver if the student is to be absent. This may be done the day before, but must be **no later than 8 a.m.** on the day of the absence. **Absences from field experience will be counted as absences from class and will count toward the 6-day limit.** Field experience days are not optional; if missed, they must be made up.

#### **XII. Non-Instructional Routines:**

Each Teacher Cadet will have parents or guardians sign a permission form for observations and field trips for the course.

#### **XIII. Academic Assistance:**

Students may arrange to meet with the instructor at any time that is mutually convenient.

#### **XIV. Suggestions for Study Skills:**

As this is a college credit course, students are expected to maintain all work on the level expected of a college freshman. This means fulfilling all assignments, whether they are journals, essays, research projects, group projects, or reading assignments. **Timeliness is not just expected; in this course it is demanded. Late work will not be accepted and will result in a failing grade!**

#### **XV. Honor Code:**

The Academic Honesty Policy is being implemented to ensure that students submit credible work that is evident of their content mastery. Students should seek to be totally honest in their dealings with others. They should complete their own work and be evaluated based upon its originality. They should avoid academic dishonesty and misconduct in all its forms, including plagiarism, fabrication or falsification, cheating, and other academic misconduct.

#### **XVI. Course Instructor Concerns:**

If a question or problem should arise, the student should talk to Ms. Weaver.
