Comments List

When entering your comments, make sure you are on the screen that has the “submit” button at the top. If you click on your name under “assessments history,” you will not be able to submit your comments. See below:

If you want to copy the peer reviewer’s comments and use them as your submission or as part of your submission, click the gray boxes while the peer reviewer’s comments are visible. This will copy and transfer them to the instructor page.
