Several students have already submitted applications and they will be named following the June 24<sup>th</sup> due date on the CSL website.

**B. New Members and Installation**

For the first time in several years I am happy to announce that we have filled all of our Annual Member Seats with the exception of those that are reserved for freshmen and transfer students. The new member Installation is tentatively scheduled for Thursday, September 8, 2011 in The Little Chapel and we hope that as many of you can join us as possible.

**C. Leadership Conference**

Last week CSL Vice Chair Kaitlin Sapp as well as the Student Leadership Initiatives coordinator Alexis Clowney and I traveled to New Braunsfels, Texas for the NACA HUGE Leadership Conference where we learned various techniques for how to govern effectively.

**D. Annual Retreat**

The Council of Student Leaders will have our Annual Retreat on September 9-11, 2011 at the Wilderness Lodge in Boone, North Carolina. This will provide an opportunity for members of CSL to collaborate and come up with ways to work cohesively on behalf of the student body.

I look forward to updating the Board of Trustees about the progress that CSL makes on each agenda item over the upcoming year. As the new student representative to the Board of Trustees, I look forward to getting to know each of you. It is clear that CSL has an ambitious agenda for the upcoming year; but as Susan Komives stated "Change is how the future invades our lives. Leadership is how we invade the future." The Council of Student Leaders will be invading the future through leadership, hard work and dedication.
