Fall Overview

The Council of Student Leaders had its retreat in early September. We were able to make a list of our goals and expectations for the upcoming school year and formed committees that would work to address issues that we find to be relevant to students.

Committees

- Campus Safety
 - Held a forum on Safety Issues Nov. 4th
 - Working to find innovative and pragmatic approaches to addressing safety concerns in areas adjacent to campus
- UIRR
 - Finishing a survey for students to assess whether the needs of students are being met by University departments
- Transportation
 - Is looking into several modes of addressing the transportation issues that many students face
 - Cab service
 - Zipcar
 - WU Bike system
- Community Involvement
 - In working with the President's Office, has constructed and sent out a letter to local businesses trying to build community support for the University in the attempt to increase school spirit here in Rock Hill.
