 1. How did the senate perceive it?
 2. Did we get any revenue from the MSNBC v

- a) No. It was publicity and we did not pay for the debate to come here.
- 3. Is the 3.5% increase going directly to employee monetarily?
 - a) Yes. There was something else implemented by the federal government that requires a higher standard of money going towards hourly employees.
- 4. Moving forward, one way of increasing enrolment is to increase
 - a) Yes, we are working on recruitment. First, focusing on in-state students, and now we are trying to implement programs to recruit out-of-state student as well as international students, as well as increasing academic programs.
- 5. Housing?
 - a) There are talks in implementing new housing projects; however, we do not know exactly what yet. There will be a master plan strategy that is in the works.
- 6. What is your general opinion on the name of Tillman Hall?
 - a) Does not see the legislators changing the Heritage Act as of now. Programming changes, changing things within the building.
- 7. Will you address Tillman as Tillman? Are you ok with people calling it other names?
 - a) I don't refer to it as anything. Anyone can call it whatever they want.
