

ARTSWINTHROP

Fall 2020 Course Delivery Breakdown

There are changes to the Fall 2020 schedule due to the COVID-19 pandemic. Course delivery will occur in one of four ways:

1 - In Seat

The class will be held on the scheduled day and time, in person, without any changes.

In-seat courses will have a specific building and room listed for the location.

2 - Online Asynchronous

The class will be held 100% online using Blackboard.

Online Asynchronous courses will not have a building and room listed, but instead will list location as INTR 000.

3- Online Synchronous

The class will be held on the scheduled day and time using video conferencing (i.e. Zoom or other platform). There will be no in person meetings.

Look for the footnote in the schedule that reads "Course will meet online during the days and times listed in the schedule."

Online Synchronous courses will not have a building and room listed, but instead will list location as INTR 000.

Remember to log in to Blackboard for communications and course materials from the assigned instructor.

4 - Hybrid

The class will be held on the scheduled day and time, in person with a supporting online component. Each faculty member teaching a hybrid course will communicate with you about which days to attend in person and which days to be online.

Look for the footnote in the schedule that reads "Instructor will determine the days of classroom attendance for students."

Hybrid courses will also have a specific building and room listed for the location.

College of Visual & Performing Arts Contact Information

- For questions regarding specific courses, contact the course instructor or department administrative assistant below.
- For general questions regarding majors, advising, registration, or other issues, contact the Office of Student Services.
