

## *We Need Your Help*

- To promote the Department of Music in the local area and within the region.
- To support our music majors with increased funding for music scholarships (presently over 50 percent of our music majors and graduate students receive music scholarships).
- To establish and maintain a *Friends of the Conservatory Concert Series*.
- To attain the musical and educational goals we have set for the 21<sup>st</sup> century including curricular, personnel, facilities, and equipment.

## *The Friends Connection*

*Friends* will be your connection with today's music students—tomorrow's music educators, composers and performers. *The Friends of the Conservatory* has been established to:

- Communicate with the community, alumni, and friends of Winthrop through the programs of the Department of Music.
- Enrich the diverse cultural life in York and surrounding counties of the Carolinas by establishing a *Friends of the Conservatory Concert Series*.
- Encourage membership in *Friends*.
- Support the Department of Music at Winthrop with gifts and bequests to the Winthrop University Foundation on behalf of the Department.

## A Long Tradition

Music has always served to educate and inspire Winthrop students. From its humble beginning in 1886 as the normal school for South Carolina, Winthrop has recognized the importance of music in the education and day-to-day lives of its students. Even today, over 400 Winthrop students perform in our 25 ensembles.

Together with faculty and guest artists, they provide well over 100 performances annually in four performance venues on campus.
