From the Catalog:

The minor in Music Technology consists of 16 hours of course work: MUTC 201, 202, 301, 302, 401, and MUST 301. Potential candidates must demonstrate a basic knowledge of music reading by passing the Music Theory Placement Examination. If the examination is not passed, the student must enroll and pass MUST 101 (Basic Musicianship) and MUST 103 (Basic Aural Skills). MUST 298 is strongly recommended.

Sample Four-Semester Plan

MUST 101 – Basic Musicianship (2 cr) * MUST 103 – Basic Aural Skills (1 cr) * MUTC 201 - Foundations of Music Technology (3)	MUST 301 - Music Business and Entrepreneurship (2) MUTC 202 - Recording and Audio Production (3)
MUTC 301 - Sound Synthesis and Signal Processing (3)	MUTC 302 - Sound Design and Visual Media (3) MUTC 401 - Music Technology Practicum (2)

* Students who pass the Music Theory Placement Exam do not need to take MUST 101 & 103, but these courses are highly recommended if a student does not read musical notation fluently and/or does not play an instrument.
