**BABY WITH  
THE BATHWATER**  
**by Christopher Durang**

This is a hilarious look at the joys and hazards of bad parenting through the eyes of John and Helen, undoubtedly the worst parents ever, and Daisy, their son, who they raised as a girl. Follow Daisy on his/her journey into man/womanhood as he/she struggles with the forces of gender confusion, alcoholic parents, and stray busses. You'll laugh, you'll cry, you'll hate your parents... and you'll never, ever want to have children.
