dedication

This production is dedicated to all the voices that have been silenced through ignorance and cruelty, unacceptance and suicide. I dedicate it to my teachers – my children Hannah, Rebecca and Doron who teach me how the world is changing each day; to my cast and crew who have made me more proud to be a part of something than I could ever imagine; and to my past students, now grown adults that I am grateful made it through – Brian, Matt, Jeff, Nick, Andrew, Erin, John, and Greg. I am so glad you all know how much you are loved and how you are perfect just the way you are.

director's note

bare - an adjective meaning without covering or clothing; naked; nude; open to view; unconcealed; undisguised.
bare - a verb meaning to open to view; reveal or divulge.

I have wanted to direct this musical for a long time. The story has haunted me - the music is so beautiful; the tale too true.

I have watched so many young people struggle with figuring out who they are and what they believe about life and their place in the world. Many hide behind masks unable to be themselves because they will be bullied or disowned or damned. This story is fictitious but we all know these characters in real life – a Nadia who is overweight and makes jokes to cover it; a Matt who is desperate to be seen by anyone as special, especially the girl he loves who doesn’t even know he is there; Jason, a golden boy who may not have it all together like he appears and hides all his pain through a stoic smile; and Ivy, who is so busy not knowing how to love herself that she looks for recognition and validation in the eyes of boys who sleep with her; and finally, the Peters of the world; honest, pure, sensitive, picked on and bullied in school, trying to make their way and just be accepted by their family as themselves - whether gay, lesbian, bisexual, transgender, questioning, etc.

At first the story may seem to be anti-religious since the students at the boarding school complain about it, but then in the next breath and throughout the story, they are all looking for spiritual guidance, for love and acceptance. The story is not anti-religion at all – it is just anti-damnation. “Love is love,” as one character says. How amazing it would be to live in a world where parents, friends and teachers could love you unconditionally regardless of who you love and how you love. Could we all be bare? Is there hope for a world in which we can be open and honest, to remove the mask we wear and the roles we play and really be ourselves and express our true feelings and love and accept one another?

bare: a pop opera uses a famous plot device of the play within a play – a retelling of the tragedy of Romeo and Juliet with a twist - a gay theme of two male lovers who cannot be together and with love triangles galore – sounds like high school right? Exactly. Pretty accurate. So who cares that the lovers are both guys? Hasn’t gay marriage laws passed in more and more states? Am I really that naïve? No, unfortunately we have a long way to go before two men kissing will be looked at as normal. But love is love in this story, and maybe the writers got it right. As an educator and a parent, I think it is my responsibility to be a part of the solution. So.........If you are a mom or dad, grandparent, brother, sister, uncle, aunt, cousin or friend - make sure you love the people in your life who might be represented on this stage tonight and let them know it is ok for them to bare themselves to you. As a talented and wise young man told me, “the only thing you have to bare is the truth.”
