“no extra bedrooms
I’m opening all the windows
airing it out
putting flowers in a vase
in the middle of the kitchen table
lighting a candle
loading the dishwasher with all of my thoughts
until they’re spotless
scrubbing the countertops
and then
I plan to step into the bathtub
wash yesterday out of my hair
decorate my body in gold
put music on
sit back
put my feet up
and enjoy
this typical thursday afternoon”

“it was when I stopped searching for home within others
and lifted the foundations of home within myself
I found there were no roots more intimate
than those between a mind and body
that have decided to be whole”

- excerpt from *home* by Rupi Kaur
